

Every child is a natural artist, and we want to give them an opportunity to display their work. The first week of May, **Java Café** will present the first exhibition **for children and by children**. If you would like to add your child's work to the show please submit it with the following form completed:

Child's name:

Parent name and contact (preferably email):

Please number submissions and descriptions if submitting more than one!

Please submit before **April 23**.

Multiple submissions are allowed but if there are too many a limit of one per child may be required. All artwork will be mounted on mat board (at the cost of Java Café) and then returned after the exhibition is finished.
